

It is another first for GISSA!

In 2024, GISSA adds another new Event to its schedule with the inaugural GISSA Triathlon Championships.

And what a location to make this debut!

The picturesque Eastern Beach is set to provide a stunning backdrop for students from our Member Schools – as they swim, ride and run along the Geelong waterfront.

This Event is open to students from Year 7 to Year 12, with individual students set to be crowned as Champions at the Junior Level (Year 7-8), Intermediate (Year 9-10 and Senior (Year 11-12) Age Groups.

We are anticipating this will be the first of many Triathlon Championships in the years to come – so good luck to all competitors involved.

Continue reading below for all the details for this spectacular Event.
